

Vendor and Entertainment Guidelines for the Middlefield Fair

In order to maintain safety and patron enjoyment all vendors and entertainers must adhere to the following guidelines:

1. No vehicles will be allowed on the main grounds including the Midway after 4pm on Friday, after 10 AM on Saturday, or between the hours of 10 AM and 5 PM on Sunday.
 - a. During fair hours vehicles may travel along the perimeter road and up behind the bandstand if needed but drivers should be alert for livestock and people. Please see attached map of grounds.
 - b. If you feel you need an exemption to these policies then you must contact the secretary's office (413) 770-6326 so that a volunteer can be provided to walk with your vehicle.
2. Vendors may pick which days they wish to attend and pack up early, but they will not be able to drive on the grounds except in the already established hours.
3. Entertainers may see the secretary in the Exhibit Hall for payment after their performance.
4. **All tents MUST be secured with weights.** Stakes are not enough to prevent a tent from blowing away. A fair representative will check to make sure that your tent is properly weighted down.
